3rd European Award - La VITA è bella!

Welcome!

Please use this template for submitting your contributions to the La VITA è bella! award 2016. Please fill in all categories.

Your case study or example should promote the development of competences in a holistic way and include practical cases on how learning outcomes and competence developments within this specific competence area can be assessed and evidenced also beyond the walls of formal education.

There are 13 questions in this survey
